Amazing Facts

- ◇ 750 people every week use the current Methodist Church building as a meeting place, out of a village population of around 10,000
- ◇ 20 plus different Church Sponsored groups meet regularly, including:
- ◇ Community Café, Food for Thought—the Soup Lunch, Little Angels—the Parent, Carer and Toddler group, Fellowship and Friendship groups for women and men of all ages and stages, the Youth Group including a base for Duke of Edinburgh activities, and many more
- ◇ We host many other community led groups, including the Radcliffe Male Voice Choir, and other interest groups, exercise and dance classes for children and adults, the very popular Friday Night Youth Project, and more
- ◇ Community groups of all kinds, looking for a meeting place, are regularly told there is 'no room at the inn' and need to look elsewhere
- ◇ As soon as the new building is complete, there will be room for double the groups and people.

Breaking news!!!

Not only do we now have Planning Permission granted, but we have been successful in our appeal against some of the restrictions that were put in place. These could have limited our ability to meet all the needs of the people who will use the new meeting place.

The Project Team is very happy to report that we are now in a position to move swiftly to the building phase. We cant wait to make this beautiful and useful addition to Radcliffe-on-Trent a reality.

All that we need is to reach our fund raising target !

And this is where we hope you can help us to help the community....
